

## 10. ACKNOWLEDGEMENTS AND CONTACTS

A number of individuals have played an important role in this effort. This study would not have been possible without the time, effort, and knowledge of these individuals:

- Thanks to all of those who attended and provided input at the public information workshops and the open house public meeting.
- Thanks to Mayor Tom Hardesty and County Judge-Executive Rob Rothenburger, as well as the City Council members and the Magistrates of the Fiscal Court, for attending meetings and actively participating in the plan development process.
- Thanks to John Callihan, Branch Manager for Preconstruction, District 5 (Louisville), Kentucky Transportation Cabinet, first, for providing information on the Shelbyville Bypass and, second, for attending the first public information workshop to make a presentation and answer questions on the Bypass history and project description.
- Thanks to George Best, Chairman, Triple S Planning Commission, for his leadership and his active role in the development of the Plan, as well as the other Planning Commission members who attended various meetings and provided valuable input during the process.
- Thanks to Ryan Libke, City/County Planner, Triple S Planning Commission, for his leadership, participation, and guidance.
- Last, but certainly not least, thanks to Betty Hudson and Joanne Bemiss who provided valuable assistance in hosting the public information workshops and open house public meeting and provided staff support to make sure that necessary tasks were accomplished for the project.

This project was accomplished for the Triple S Planning Commission by a partnership between two consulting firms. The firms and key staff are as follows:

- Wilbur Smith Associates - Transportation
  - John Carr, P.E., Project Director
  - Carl D. Dixon, P.E., Project Manager
  - Brad Johnson, P.E., Project Engineer
  - Melissa Ziegler, Community/Economic Development Specialist
  - Brady Johnson, GIS/CADD
  - Rebecca Ramsey, EIT
- Kriss Lowry & Associates – Land Use
  - Kriss Lowry, AICP – Project Manager
